Residential and Commercial Heating, Ventilation and Air Conditioning and Commercial Refrigeration (Full-Time)	88.89% 8 / 9	75.00% 6 / 8	12.50% 1 / 8
Residential Heating, Ventilation and Air Conditioning	100.00% 43 / 43	95.35% 41 / 43	58.14% 25 / 43

- ¹ **Completion Rate** - the number of students who graduated as a percentage of all students who left school, not counting those who left because they entered another post-secondary education program, the military, or incarceration; or died.
- ² **Employment Rate** - the number of graduating students who were employed in the field they were trained for by the program, as a percentage of all students who graduated, not counting those who entered another post-secondary education program, the military, or incarceration; or died.
- ³ **Placement Rate** - the number of graduating students who were employed in the field that they were trained in by the program, and actually placed in those jobs by the school, as a percentage of all students who graduated, again not counting those who entered another post-secondary education program, the military, or incarceration; or died.
